Hold onto California. Hold onto the House.

Nancy Pelosi is working to pick up 25 seats nationally to regain her title as Speaker of The House.

**We cannot, and will not, let that happen.**

Historically, Republican presidential and senate campaigns have funded the GOTV program and ground operations in California, which benefit congressional campaigns across the state. This year, however, Governor Romney will not, nor should he, waste any precious dollars on ground operations in California.

If California does not fund a ground operation, Nancy Pelosi will have the opportunity to pick up as many as seven seats in California — which is nearly 1/3 of the seats that she would need to reclaim her title.

**Please support this campaign to fund these ground operations  
to hold the House by sending a contribution today.**

I/we will attend the following event(s):

The Golden State Congressional Victory Fund (GSCVF) is a joint fundraising committee composed of the California Republican Party ("State Party") and the National Republican Congressional Committee ("NRCC") (the "Committees", collectively).

Any contributions to the GSCVF permissible under the Federal Election Campaign Act, as amended ("FECA"), 2 U.S.C. §§ 431 et seq., from donors who have not exceeded their applicable Federal contribution limits shall be allocated among the Committees pursuant to FECA and the following method:

a. State Party (Federal account) will receive for deposit in its general account any contribution made by an individual or non-monicandidate federal political committee to GSVF, in an amount not to exceed \$10,000; (for federal multi-candidate committees, amount not to exceed \$5,000);

b. The NRCC will receive, for deposit in its general account, any contribution made by an individual or non-monicandidate federal political committee to GSVF after the first \$10,000, in an amount not to exceed \$30,800; (for federal multi-candidate political committees, after the first \$5,000, in an amount not to exceed \$15,000).

All contributions otherwise permissible under FECA, but which would cause a contributor to exceed any applicable Federal contribution limit to a specific committee, shall be reallocated to the remaining Committees to the extent permitted by FECA according to this allocation formula. Any contribution that would cause a contributor to exceed any applicable Federal contribution limit, even after re-allocation, or is otherwise impermissible under FECA shall be refunded to the contributor. Any contributor may designate his or her contribution to a specific participating Committee(s), to the extent permissible by FECA. Any contributor may make his or her contribution payable directly to any of the specific participating Committee(s) listed in the Preamble to this Notice. Any such designated contribution that causes the contributor to exceed the contribution limit to the designated Committee shall not be reallocated by the GSVF absent the prior written permission of the contributor as required by law.

The maximum amount an individual or a non-monicandidate federal political committee may contribute to GSCVF is \$40,800. The maximum amount a multi-candidate political committee may contribute to GSCVF is \$20,000.

Contributions to Golden State Congressional Victory Fund are not deductible for federal income tax purposes. All funds received in response to this solicitation will be subject to federal contribution limits and prohibitions. Contributions from corporations, labor union, foreign nationals without "green cards," and federal government contractors are prohibited.

Your allocation of funds will be dependent upon your federal giving to date. Please call Renee Croce at (310) 648-7700 or Michael Byrd (415) 558-9462 if you have questions on your remaining giving limit.

## **Here's a breakdown of the California races:**

Republicans hold 19 Congressional seats, but with redistricting and retirements that number could drastically change.

**Safe Republican Seats:** We have nine safe incumbent seats this election cycle, with no threat of a Democrat takeover. These include Congressmen Campbell, Calvert, Hunter, Issa, McCarthy, McClintock, Miller, Nunez, Rohrbacher, and Royce.

**Safe Open Seats:** We have two seats that are open, but should easily be won by our Republican nominees. These are the seats previously held by Congressmen Herger and Lewis.

**Targeted Incumbents:** We have four GOP held seats that are considered “toss-ups”, and are being targeted by Democrats. These include seats currently occupied by Congressmen Bilbray, Bono-Mack, Denham and Lungren.

**Targeted Open Seats:** With redistricting, there are two seats, previously held by Republicans, that are now open “toss-ups”, and very competitive.

## **We must win all of these races just to maintain the current numbers in Congress.**

**Pick-up Seats:** Additionally, we have four potential “pick-up” seats, three currently held by Democrats: Congressmen Garamendi, McNerney, and Capps.

## **How do we hold onto the Speakership?**

To hold onto the Speakership, Speaker Boehner and Majority Whip McCarthy have committed their time and efforts to funding a ground operation in California. This means that they will need to raise the \$3.6 million dollars necessary to fund these critical congressional races. The good news is that Speaker Boehner and Majority Whip McCarthy have agreed to match up to \$1.8 million dollars from their own Leadership PACs, which leaves an additional \$1.8 million dollars to be raised here.

Today, we ask that you support the Golden State congressional Victory Fund to prevent Pelosi from regaining control of Congress. Any funds raised here will go directly towards setting up vital ground operations, funding direct mail, staffing phone banks, and other GOTV efforts within these districts.

We will have meetings and events through the election in your area, but for now, please consider sending in a contribution to fund these crucial efforts.

Besides working to elect Mitt Romney as president, holding onto the House Speakership is a top priority.
