"Over the last 15 years, there has been no more enduring force in California Republican politics than Jim Brulte" ~ *Capitol Weekly*

Obviously, California Republicans agree. Elected as Chairman of the California GOP with 25 years of fulltime experience in politics and government, Chairman Brulte's strategies resulted in Republicans breaking the Democrat supermajority in the State legislature. Enjoy this unique opportunity to meet personally during our V.I.P. reception and hear from this experienced politician how we can replicate the recent Republican victories, like Catharine Baker's, and make our state golden once again!

Please make your reservations with a check made payable to "Blackhawk Republican Women", as well as any cancellations, by Monday, March 9th, with Marianne Lyons, 856 Turrini Drive, Danville 94526, rlyons1009@sbcglobal.net or 925-820-6452.
